Dear Janet.
Well I think you're about one of the hardest people to write to. I think of all the good times we spent together and I get upset that our friendship ended the way it did. Anyway that time in my life was a big part of my growing up. You were my first "older" friend. We had many good times together & maybe we still can since you're not going away. Remember I don't like ... for you. Well take care & God Luck

Love always

This year's Spartan gridders, under Coach Salerno and Asst. Coaches Sofsian and Marangi, had an excellent season. Although the team was picked to finish 7th out of 8 teams in their division, they passed seemingly insurmountable odds to achieve 1st place. Being the first football team in Elmont to attain a position in the Nassau playoffs, they hoped for greater accomplishments. However, a defeat to Floral Park brought the team to the end of its season. Although many fine seniors are leaving, next year's team again looks to carry on Elmont's fine football tradition.

Running their best season ever, the cross-country team compiled an 8-1 record, finishing 2nd in their division and 3rd in the county. Six members of the squad ran fast enough to make first and second teams, including Jerry Sigmund, who placed third in the state championship meet. Most of the varsity team will be graduating, leaving Coach Camion with a very young team to rebuild.

Led by Coach Snizek, the tennis team's hopes were answered this year as the boys racked up 2nd place and went on to the playoffs. Reed Kellner, a junior, turned in the best performance for the team, being voted mvp honors. Even though the team is losing senior, Sol Fischler, who played first doubles, next year's team looks to be just as strong.

*L TO R:* Co-Captain Bill Phillips, Coach Mayer, Co-Captain Bill McGloin. Both were awarded all-division honors.

Lacking experience, this year's varsity soccer team finished next to last for Elmont's poorest showing in many years. Despite the poor record, the team did give 100% for Coach Fred Mayer, including outstanding performances by Elmont's co-captains, junior goalie Bill Phillips and senior Bill McGloin, both of whom received all-division honors. The future also looks bright due to many promising juniors and sophomores receiving a great amount of varsity experience this year. With these attributes, Elmont soccer may again rise to the top.

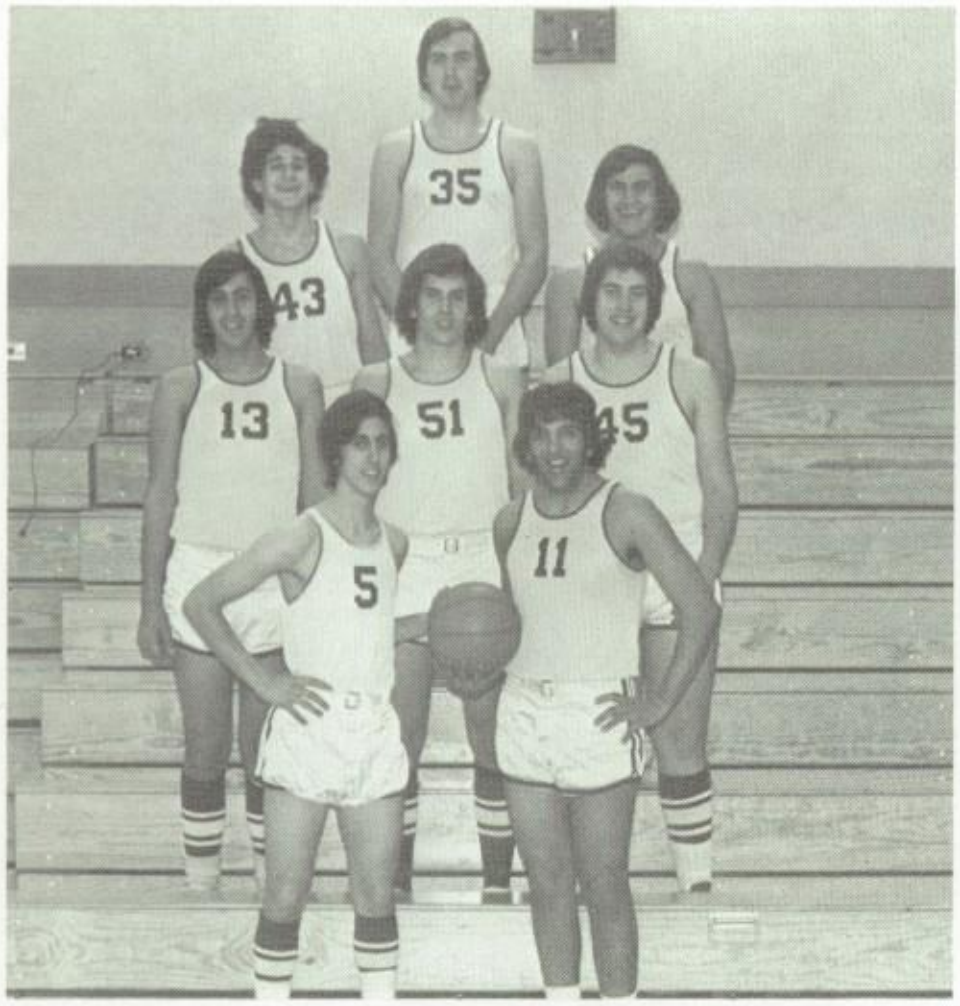
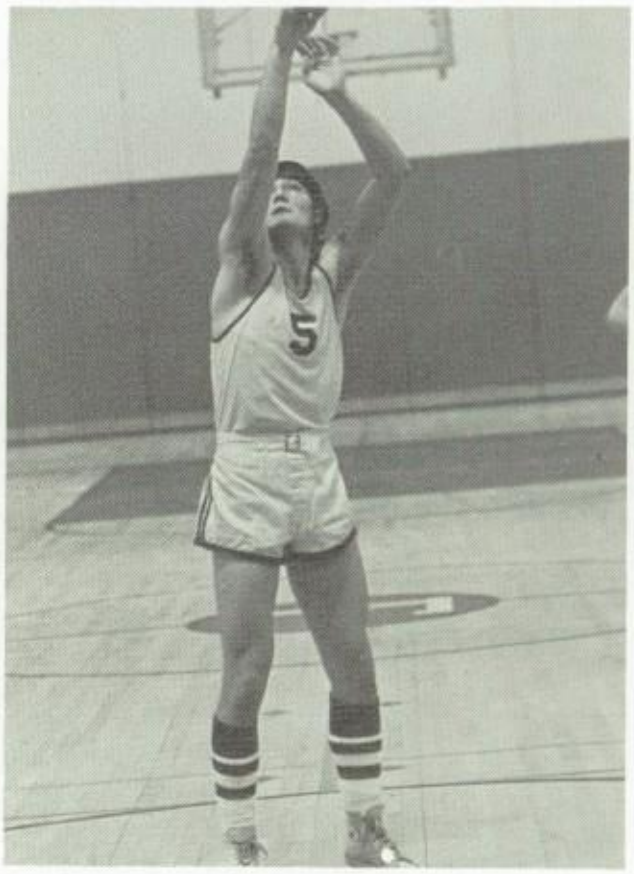
# Varsity Basketball

This year's Spartan netmen, although thriving with spirit, had almost nothing to show for their efforts except a very poor record. Their one bright spot was Bob Mahalko, who scored diligently throughout the season, including a devastating offensive game against Southside, the one win of the season. Next year promises to be better, however, with a great display of height and a year of experience under their belts for the many returning juniors.



*TOP ROW: L TO R:* B. Fingeret, K. Palmer, R. Siedorf, *MIDDLE ROW: L TO R:* A. Greenberg, S. Manket, M. Kassan. *BOTTOM ROW: L TO R:* H. Rothberg, J. Cangelosi.



Bob Mahalko has proven himself to be one of the finest basketball players in Elmont history. Although not blessed with great height, his tremendous consistency paced the the Elmont squad by leading them in all scoring departments. His greatest claim to fame this year was his shattering of Elmont's scoring record by tallying 49 points against Southside, last year's county champs. His loss will surely affect next year's team.

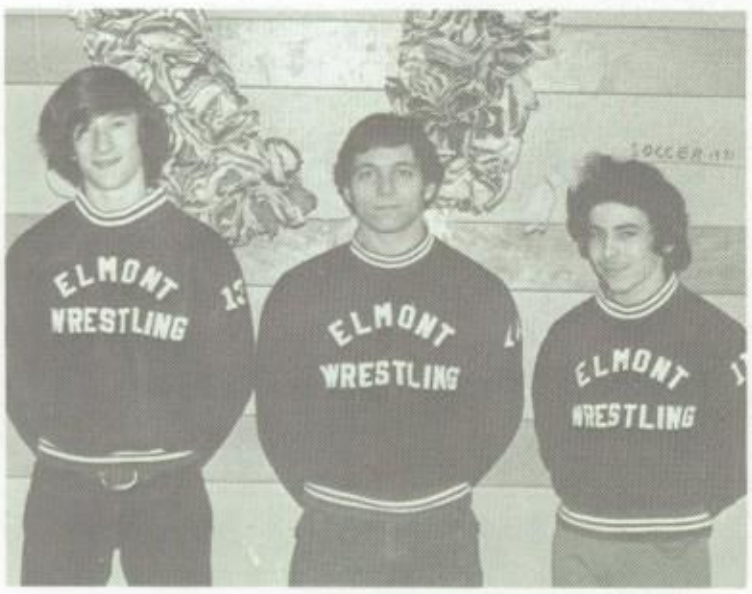
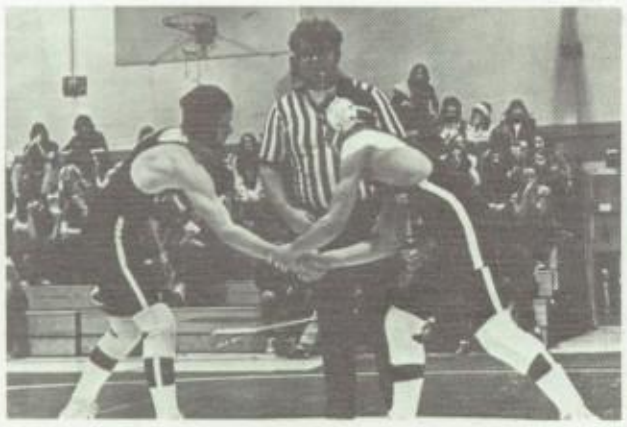
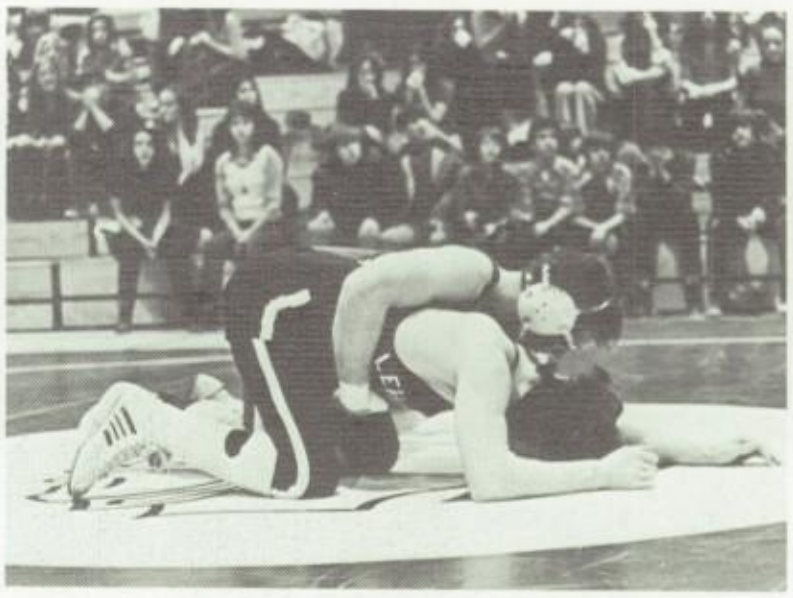
*TOP ROW: L TO R:* Coach Marangi, E. Small, R. Zaleski, A. Vitale, Coach Greco. *MIDDLE ROW: L TO R:* S. Steinberg, D. Leiman, G. Handfield, R. Spina, B. Radell. *BOTTOM ROW: L TO R:* B. Morgan, J. Lieberman, J. Topping, B. Levine, H. Rabin.



*L TO R:* Benjie Levine (119)-3rd Place-Sections; Rich Spina (138)-2nd Place-Sections; Howie Rabin (98)-2nd Place-Sect.

The varsity wrestling team compiled a less than successful record this year due to a lot of inexperience and bad luck. Although they had many fine lightweight grapplers, inexperience in their heavyweights was the cause for many crushing defeats. Fortunately, most of the team, especially the heavyweights, will be returning next year with their gained knowledge, hopefully to provide better results for coach Marangi.





# J.V. Wrestling

# Varsity — Indoor Track

Recognition of these trackmen who continually strive for faster paces was always far below many spectator's interests. However, this team was not to be flustered, as it ran many successful meets. Although many of the outstanding runners will be graduating, their replacement by able young stars will hopefully keep up the fine tradition of indoor track.

*TOP ROW: L TO R:* J. Sigmund, R. Gleave, G. Quinn, G. Fusaro, S. Cullen. *BOTTOM ROW: L TO R:* V. Dembrowsky, F. Devito, P. Goering, E. Dolan.

# Outdoor Track

*TOP ROW: L TO R:* Coach Camion, K. Marks, S. Principato, B. Phillips, R. Gleave, G. Fusaro, P. Liotarri, J. Sigmund, D. Goff, R. Verril, B. Kurakten, Coach Barrie. *BOTTOM ROW: L TO R:* G. Zaia, G. Martinez, H. Handelson, L. Demille, A. Rozea, V. Dembrowsky, J. Marino, R. Wooster, G. Quinn.

It is hard to pinpoint the one reason for success of the outdoor track team, strictly because of its multiple combinations of individual efforts to secure a winning score. Experience was the name of the game this year with almost the entire track team returning. The combined efforts of the track and field members, as Coach Camien will greatly attest to, resulted in many successful meets.

Varsity baseball again brought with it the diligence to achieve higher achievements than its past season has shown. With more than half the team returning, experience was not to be lacking. Although not drawing large spectator crowds, the team continually demonstrated its ability to knock-around its opponents.

Andy Ehrman attained the highest honor ever awarded to an Elmont lacrosse player by being placed as the High School All-American Goalie in Lacrosse. He was also named to the All-Long-Island, All-Nassau, All-South Shore, and All-League teams. His adeptness at his position greatly helped the Elmont Stickmen to win the close ones. Next year's team will truly miss him.

This year's varsity lacrosse team again upheld the fine tradition of the past, namely winning. Having many returning veterans, the team swept many opponents off their feet with brilliant stickwork and team play. Coaches Salerno and Sofsian can be proud of their production of such a fine team. With the loss of many excellent seniors, the squad looks to its juniors to again produce another successful season.

# Basketball

The Elmont Girls' Basketball team has, after many long and tiring practices, gone on to achieve many victories. This is shown in their records. They put everything together to make a successful season.

Acceptance consists of a rigorous written and physical examination. This insures the maintaining of the club's fine reputation.

The Junior Varsity Cheerleaders this year have been an enthusiastic and energetic bunch of girls. They all worked hard together both on and off the field. They all helped in making the sports season a good one.

# Freshman Cheerleaders

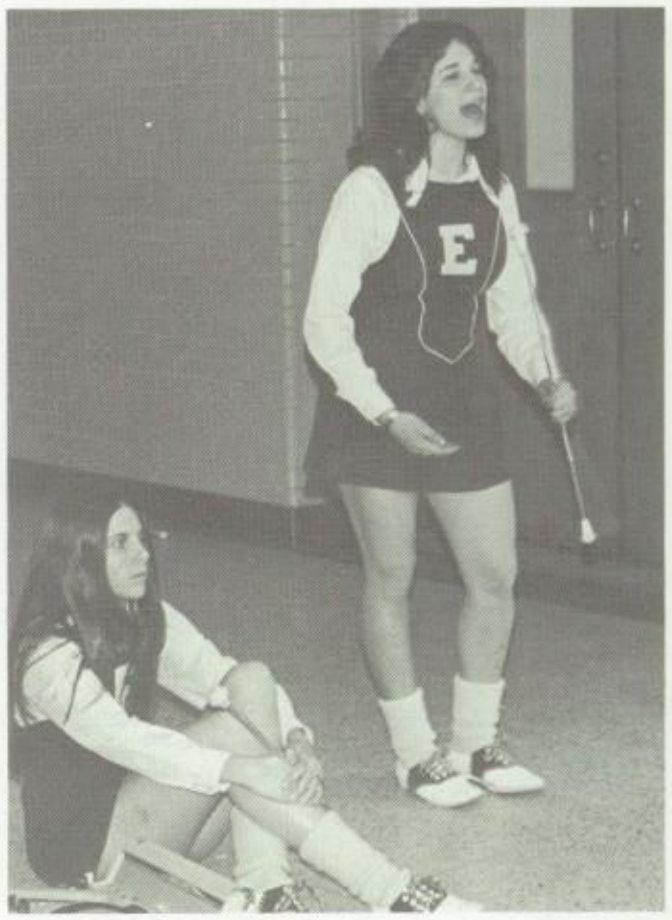
# Twirlers

We're in the Twirler's now,
We can't get out no how.
Our boyfriends' mad,
Our twirling's bad,
We gotta practice now!

We're in the Twirler's now,
We're getting good somehow,
The game's ahead,
Our arms feel dead,
And we can't break our vow.

We're in the Twirler's now,
We've practiced 20 hours,
The game is here,
We're all in fear,
But we love it anyhow.



*TOP* — J. Perrotta, A. Trupiano, S. Holderson, D. Provenzano, L. O'Leary, S. Bierman. *MIDDLE* — P. DeAngelis, D. Laurenson, L. Cartolano. *BOTTOM* — R. Chirdo, L. Roventini.

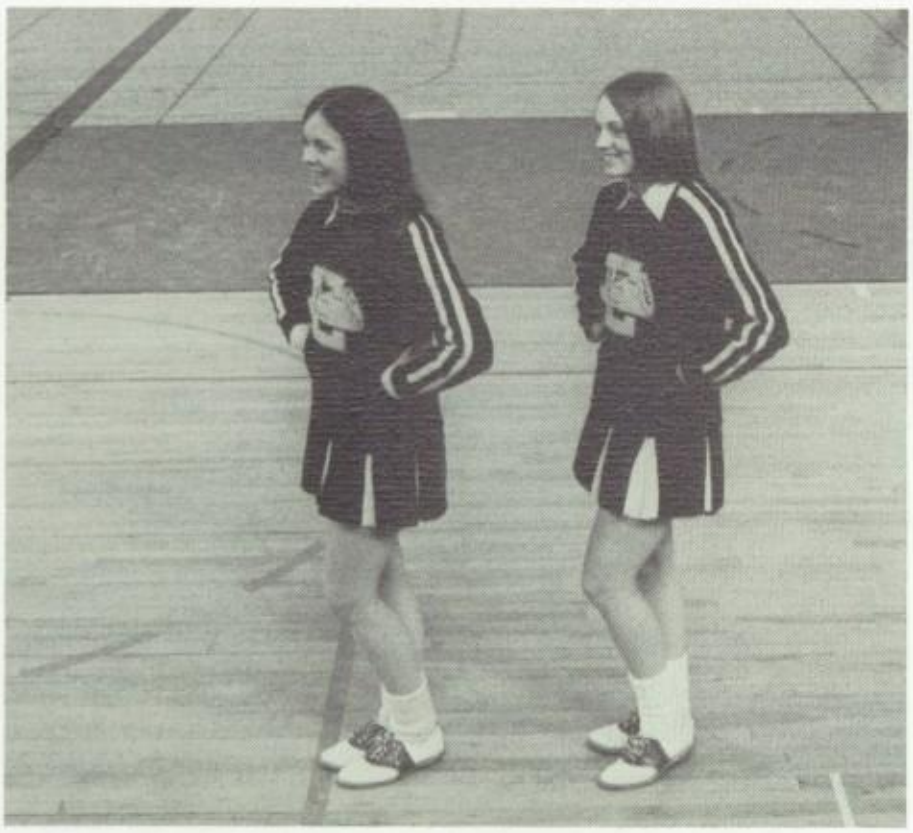
This year's twirling squad has been quite different from those of the past. The Twirlers have performed twice as many new routines, the result of hard practice.

Thanks to their advisor-photographer, the girls' enthusiasm, and the students of Elmont, the Twirlers have become a great success. From football field to Hofstra astro turf, to basketball court, to the halls of Elmont, the 1973 Twirlers have provided entertainment.

Captain — Rose Chirdo; Co-Captain — Lorraine Roventini.

# Varsity Cheering

*TOP* — M. Fishkow, L. Williams, E. Farrell. *MIDDLE* — J. Broschmann, B. Eckhoff, A. Fratarcangelo. *BOTTOM* — K. Radell, L. Daly, K. Pravato, D. Kiernan.



Co-Captain — J. Broschmann; Captain — B. Eckhoff.

Energetic, vivacious, spirited, and devoted — these are just a few words to describe the 1973 Varsity Cheering Squad.

Each girl gave her all when it came to raising money for their new uniforms, yelling for the Spartans and victory, keeping their spirits up at rainy games, and peddling their way on bicycles to the football player's houses at 4:30 a.m. to deliver "Good Luck" footballs.

The squad was seen throughout the season helping to lead the teams to victory. Even when the sun wasn't shining, the cheerleader's spirits did.

Such spirit and devotion has not been seen as much as by this year's Varsity Squad. They'll be missed as they leave the halls of Elmont and go their separate ways. As a final message from the girls, they'd like to say that they have been proud to represent the "Elmont Varsity Cheerleaders".

# Booster Club

The Booster Club, made up entirely of girls, can be found meeting every Wednesday afternoon. Of their achievements, the most noticed was their creation of posters and decorations for up-coming games. They also provided a large amount of cheering and spirit at boy's sports events. The girls' enthusiasm helped make a successful sports season.

Dear Graduates:

Remembrances of things past, wishes for the future, cautions of events to come and words of congratulations are the usual contents of messages such as this. There are so many things to be said. Woven in among the phrases are the feelings of concern and hope that we, the Board of Education, have for you.

We wonder if we have done too little, offered not enough direction, not enough example. Or perhaps we have erred in being too confining, too doctrinaire. We are only too aware that what has been done may affect your hearts and minds in a way unlikely ever to be undone.

Perhaps it was easier in the past when education was designed solely to teach us how to make a living. Today education is also concerned with teaching us how to live and successes have become less clear, failures more dramatic.

It is hoped that you have been shown a pattern of life — one that is a never ending process providing ever-expanding horizons, and not merely a quest for final destination.

Many years ago the poet, Arthur Symons, emphasized your Yearbook theme when he wrote, "I broider the world upon a loom. I broider with dreams my tapestry."

During day-to-day living with your aspirations and dreams you have started to weave your goals into a pattern that shows promise of becoming one that will be clear, bright, and beautiful.

As you mature, so the tapestry of life takes shape and form. Continue selecting the threads and colors with care. Your efforts will remain to be admired long after you have left.

This page is presented in honor of our District Principal, Mr. Howard W. Nordahl, who will retire this June, after thirty-six years of dedicated service to our school district.

Below he recalls a few of his many memories.

It is difficult to reminisce about my days as District Principal without first thinking of the many pleasures provided me by our schools during the thirty years prior to the assumption of my present duties.

I fondly remember starting as a teacher of social studies in 1937, and the delight six years later, when I was selected to be the Dean of Boys at Sewanhaka High School.

Also, how delighted I was in 1951, after I was appointed Assistant Principal, and in 1958, when I was designated the Principal of Sewanhaka!

So many cheerful things come to mind:

I recall the sharing of experiences with other teachers of social studies while working on projects of the Long Island Interscholastic Forum. I take pride in the friendships acquired when calling square dances. I am proud that I helped start lacrosse on the way to the popularity that it now enjoys.

When I started my current position, I looked back with pleasant and affectionate memories and forward to the challenges that were ahead. I have always felt that the most enjoyable part of my job was meeting with young people and pursuing a project or problem to its successful conclusion. I cannot easily forget the tremendous pleasure of association with civic and professional groups, and the exhilaration when receiving honorary awards was particularly invigorating.

Probably the best way to describe my feelings in a nutshell is to say that we enjoyed life here so much that my wife, Freda, and I plan to continue living in our school district for many years.

Yes, my life and its experiences have been extremely rewarding. I surely agree with the anonymous poet who said: "Is life worth living? That depends on the liver."

# Building Administration

Dear Seniors:

I want to congratulate you for continuing the high tradition of scholarship and service that has characterized students of Elmont Memorial. The accomplishments of the Class of 1973 stand as worthy objectives for future generations of students.

The threads of school life to be woven into the tapestry of the Class of 1973 include extra-curricular activities, skills you have mastered, and knowledge that will serve as a foundation for future learning and decision making. These threads will continue to form your tapestry of life.

You already know that the strength of the tapestry depends on the quality of thread. Your attitude towards the value and worth of your own life, your attitude toward future work, and attitude towards our country, its people and government are represented in these threads. I have confidence that you will exhibit strength and high quality.

We may be asking the wrong questions when we ask of something or some process, "Does it work? Is it useful?" Curiously, we don't seem to ask that about the things that are so important to us. We never ask it about love. We never ask it about a book. We believe these experiences are in their own way enriching, of value in and of themselves.

"There's only one corner of the universe you can be certain of improving, and that's your own self. So you have to begin there, not outside, not on other people. That comes afterward, when to *be* good before you can *do* good — or at any rate do good without doing harm at the same time. Helping with one hand and hurting with the other — that's what the ordinary reformer does."

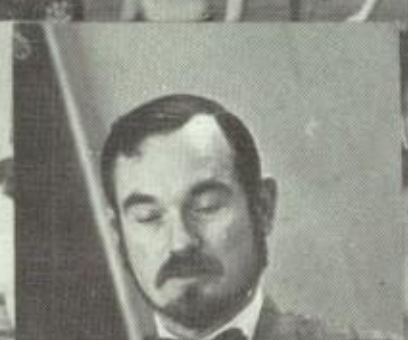
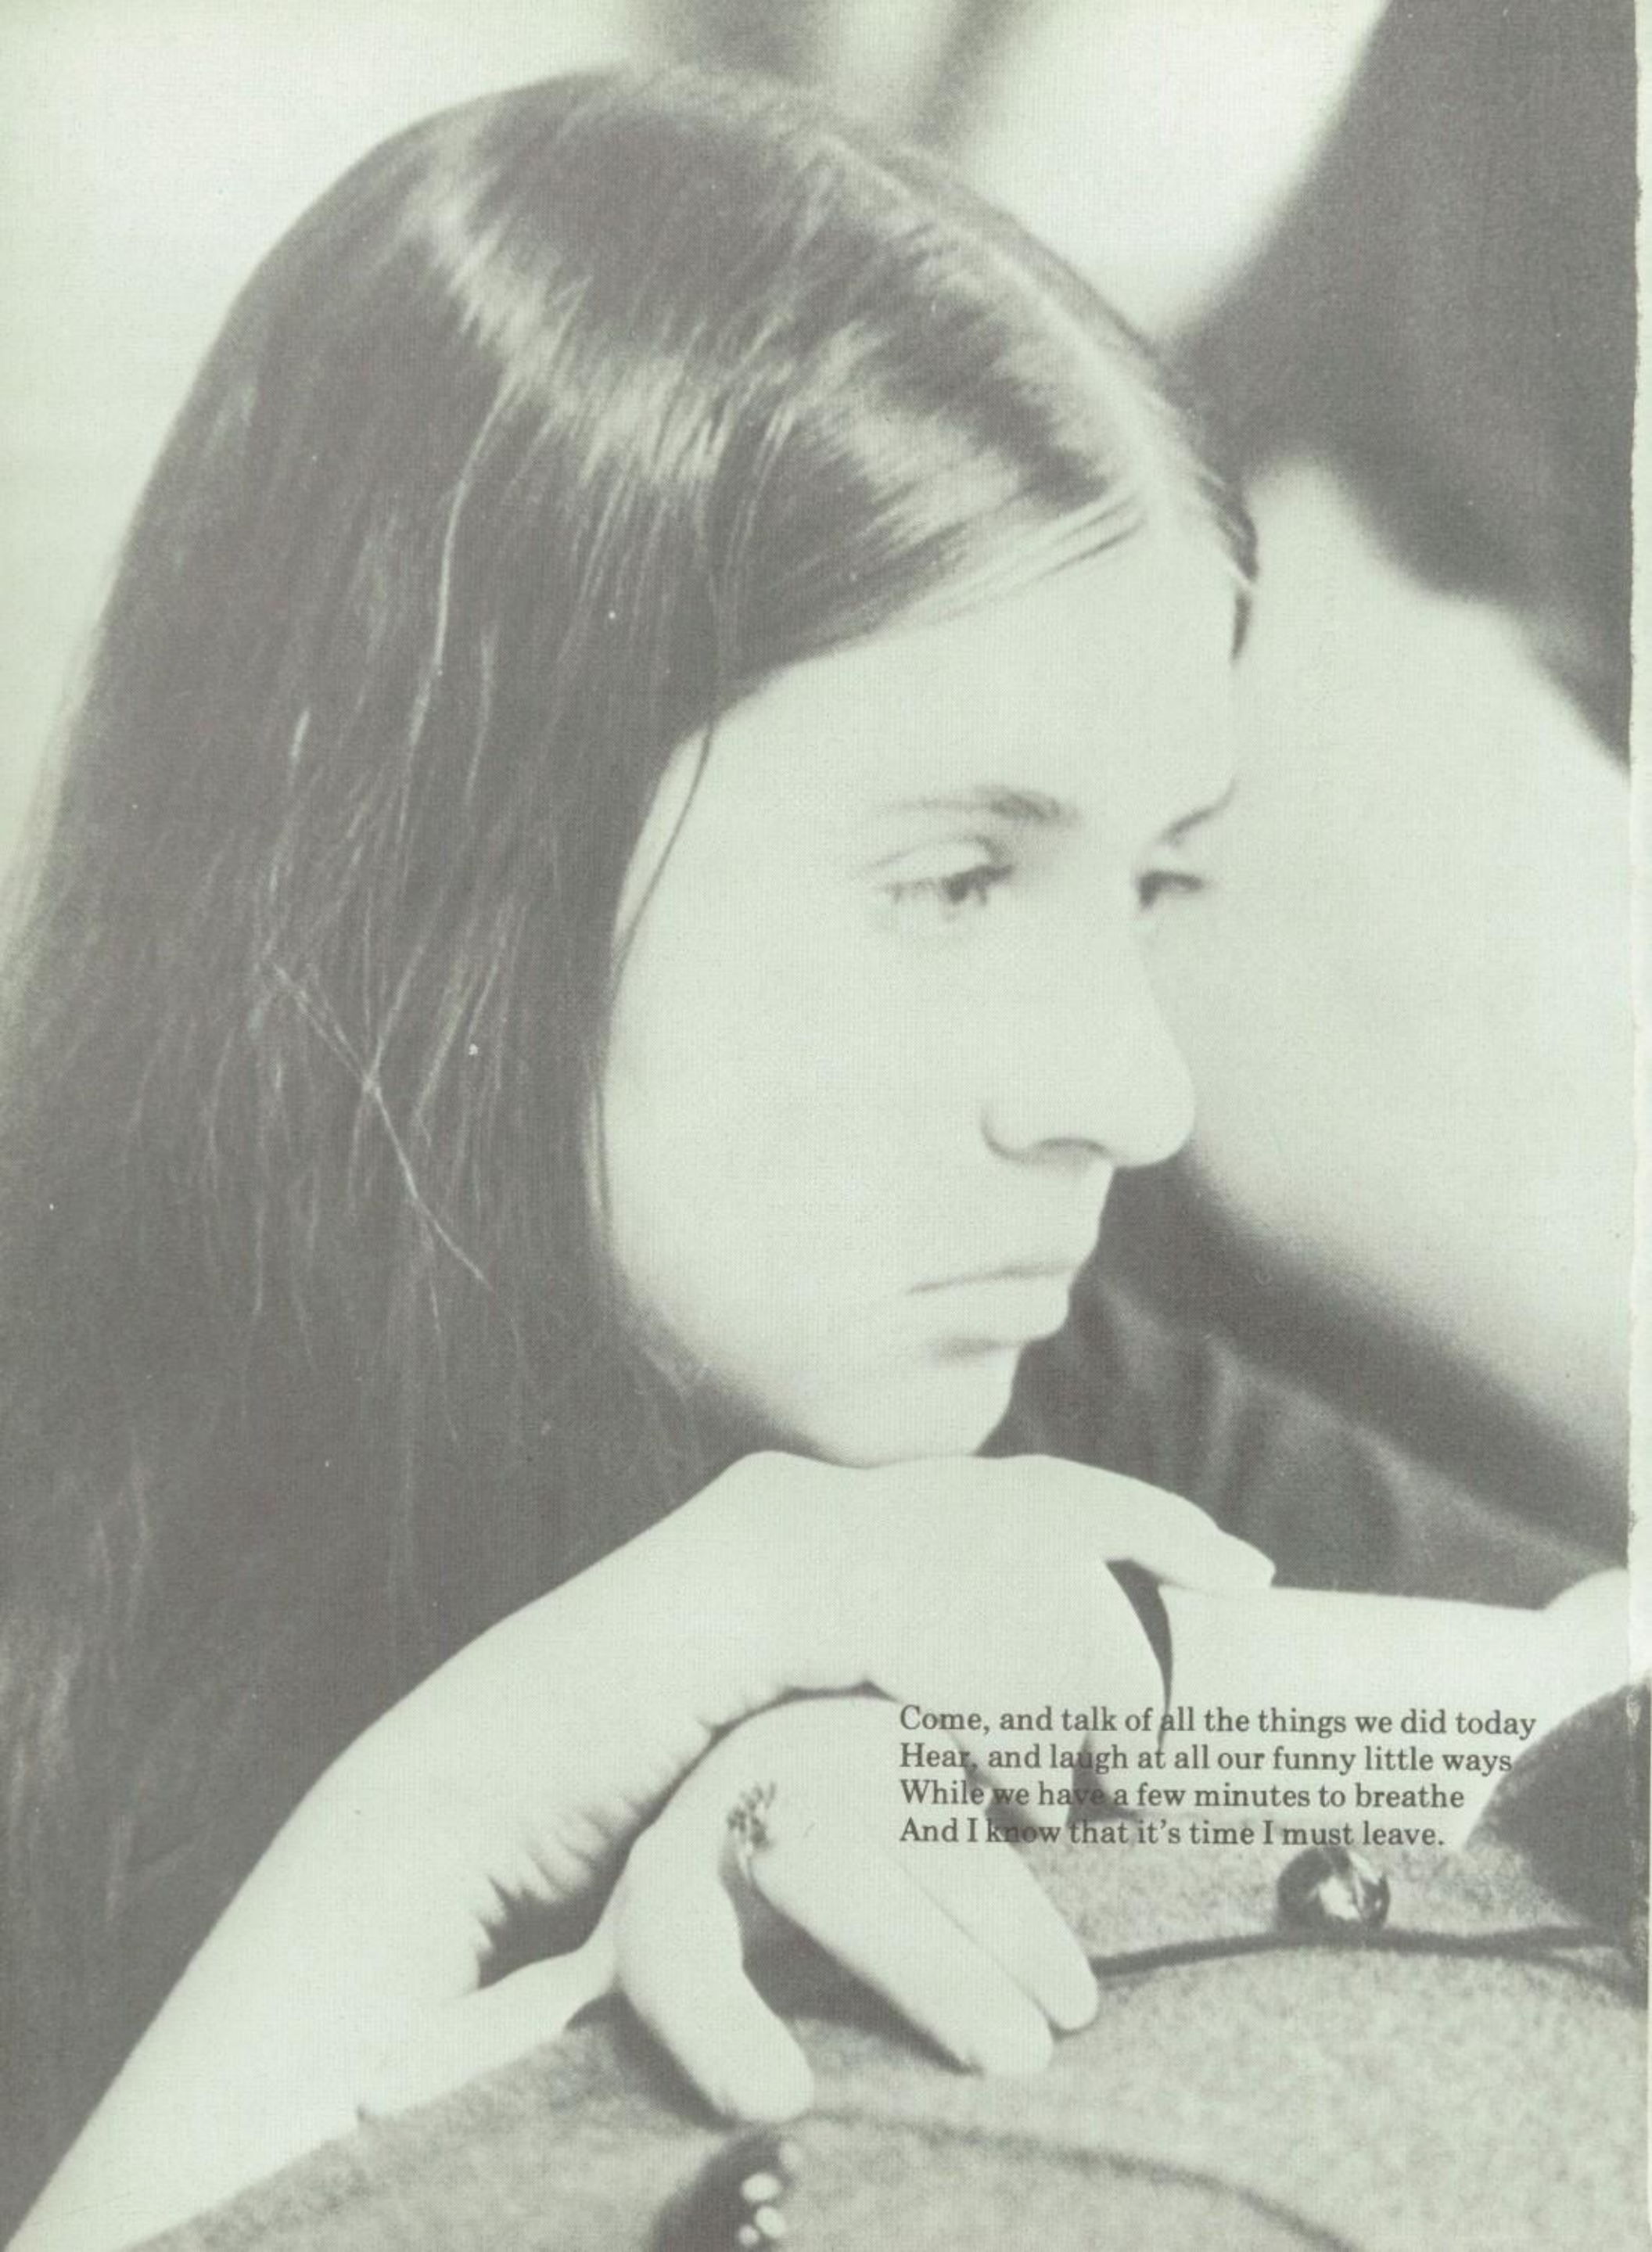
We're from Big M, you can guess,
By the way we smile and it's grammar we stress.
We're from Big M, yes oh my,
Big M, little u, double r, a, y.





Come, and talk of all the things we did today
Hear, and laugh at all our funny little ways
While we have a few minutes to breathe
And I know that it's time I must leave.
